The college recommends that students under the age of 18 should live with a homestay family. However, students who are under 18 may be allowed to live in halls or in privately rented accommodation if the parents feel that they are mature enough to live independently and without direct adult supervision.

In the case of students living with a relative, parents must be confident that the person is a responsible adult who is old enough to supervise your son/daughter.

COLLEGE TRIPS / VISITS

During their time at Notre Dame, your son or daughter may take part in some educational, social or cultural trips organised by the College.

Whilst every effort will be made to ensure safety at all times, your son or daughter must be prepared to follow staff instructions and act in a responsible manner.

I/We accept and agree with the above statements and give permission for my/our son/daughter to take part in college trips and visits throughout the academic year. I/We accept that Rose Lou will sign for such trips in my/our absence.

I/We are aware that the college recommendation is that all students under the age of 18 should live with a homestay family.

I/we understand that our son/daughter has a responsibility to keep staff at Notre Dame and parent(s) fully informed of any change of circumstance, e.g. accommodation, contact details etc.
