

CTEC Design Summer Learning Activity

a) Watch the videos below on one-point perspective

[One Point Perspective](#)

[How to Draw a Room in 1-Point Perspective for Beginners](#)

b) Using the techniques described in the videos create a one-point perspective drawing of your kitchen.

Include as many of the following as you can:

- Doors and windows
- Kitchen units
- Appliances (fridge/freezer etc.)
- Small appliances (toaster/kettle etc.)
- Lights
