

Student Halls of Residence Options in Leeds As Leeds is a university city, there are many exciting student residences to choose from. As Notre Dame is not able to offer boarding facilities on our site, many of our international students have chosen to stay in these residences, rather than choose homestay. All of the residences have very informative websites and accommodation can be booked online by the student well in advance of their arrival in Leeds. Most residences also offer studios with their own kitchenette. All the rooms have en-suite shower rooms with a toilet and wash basin.
