YOUR EXPERIENCE NOTRE DAME DAY

9:30

Arrival

Our staff and student ambassadors will be on hand to welcome you and help you find your way around the campus.

At Notre Dame we believe that being punctual is extremely important so please arrive on time.

Before your Experience Day, we'll send you a text with your building name, tutor room number, and a campus map link, so you know where you'll need to be to collect your timetable and start your day.

10:00 - 10:30

Welcome

Once you have arrived at your tutor room, you will collect your timetable for the day from your welcome tutor.

Your welcome tutor will provide you with an introduction to life at Notre Dame. This will also be an opportunity for you to ask general questions about the College.

10:35 - 11:20

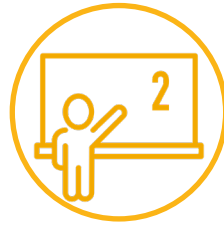

Lesson 1

All your lessons will be 45 minutes long, and your timetable will tell you which building and room you need to arrive at.

If you have an 'Enrichment and Support Fair' session on your timetable, this will take place in the Main Hall.

The Enrichment and Support Fair is a great way to get to know the college staff who will be supporting you during your time with us.

College staff in attendance will include Learning Support Mentors, Achievement Tutors, the Enhancing Excellence Coordinator, Enrichment Coordinator, Sports Coaches, and Careers Advisers.

11:25 - 12:10

Lunch & Fair

Lunch is on us! Visit the canteen and collect your free hot meal and drink.

Keep an eye out for any lunchtime activities. Your welcome tutor will have told you about these during your welcome session.

If you are a T Level/ 4 A-level subject student, lunchtime is your chance to attend the Enrichment and Support Fair.

13:05 - 13:50

Lesson 3

Your taster lessons will help you to make sure you've chosen the right subjects. Remember, you can change your subject choices at your enrolment appointment providing you have met the subject entry requirements and there are spaces available.

If you are considering changing your subject choices and would like some advice about how this may effect your career path, please email us at careers@ndonline.ac.uk.
