Notre Dame Diploma –Pre A Level Course

Available between September- June

This is a good choice for students who want to experience UK education, gain an IELTS English qualification, discover more about academic subjects alongside UK students of a similar age and prove their competence in subject areas.

Diploma Course content		Aim
English	Prepare for the UKVI IELTS exam	UKVI IELTS qualification
Academic	Choose from over 29 subjects such as mathematics, business, economics and science but also the chance to experience subjects such as psychology, law, media and product design.	Learn which subjects are best suited to you and prepare for successful study.
Project	Guided self-study programme resulting in a final project / portfolio	Designed to improve research and presentation skills and demonstrate a particular field of interest e.g. fashion design.

University/careers	Learn about university application success. Explore career options.	Plan for a successful future
--------------------	---	------------------------------

Students leave with our **Notre Dame Diploma** which gives a written overview of your progress, language and academic aptitude, your completed project portfolio plus a UKVI IELTS qualification.

Successful students are guaranteed a place to start our A Level pathway to university course in September at a scholarship rate.

Flexible Immersion Courses

Available all year round for groups of 20+ and from September-June for solo applicants.

Aimed at students who wish to visit the U.K. and experience aspects of British culture whilst practising their English.

We are happy to create a customised programme for you.

- Immersion in British culture- learn about the history and traditions of the country and try some local foods.
- Activities and excursions- visit historic cities, local shops, watch sport, enjoy museums and art galleries.
- English lessons

Group and school visits are particularly welcome.

Case Study

- Short course- Impressing everyone with her quick mind and determination
- A Levels- Chemistry, Economics, Maths and Further Maths gaining the highest grades.
- University- Economics at London School of Economics
