Monday 10th August 2020

Dear all

I am sharing with you the latest information from Ofqual regarding GCSE and A Level qualification results due to be released on Thursday 13th August and Thursday 20th August. Ofqual has published a student guide which is attached for your information, and can also be found at: <https://www.gov.uk/guidance/your-results-what-next>

This guide should help students and their parents and carers understand how results have been awarded this year and where to find more information.

The guide provides the information about the statistical standardisation process for GCSEs, AS and A levels and signposts resources for more information.

Ofqual is keen that as many students as possible are aware of the guide and will be publicising it through a social media campaign.

Finally, Ofqual has updated the guidance document Summer 2020 grades for GCSE, AS and A level, Extended Project Qualification and Advanced Extension Award in maths

<https://www.gov.uk/government/publications/awarding-qualifications-in-summer-2020>

with an expanded section on the standardisation model. It also contains additional information in relation to subject access requests and the sharing of centre assessment grades and/or rank order information with students after results are released.

Yours sincerely,

Justine Barlow
Principal
