

SUMMER LEARNING 2023

PHYSICS A LEVEL

1. VIEW OUR COURSES [HERE](#)

2. [EXAM BOARD SPECIFICATION](#)

3. TRANSITION WORK FOR ALL STUDENTS TO COMPLETE

From the Isaac Physics website complete the section of questions shown below. Work your answers out on paper and submit your answer. It has to be exactly correct, to the correct number of decimal places. Hints are given and the theory is explained. When you have checked your answer, write it down to the correct number of decimal places as shown. Mastering GCSE Physics, chapter 1 sections 1 to 7 – [CLICK HERE](#)

You should also complete this independent study booklet to revise and consolidate key GCSE Physics knowledge you will need at Notre Dame.
